

METROPOL
GYN CLINIC

WELCOME

We are a leading gynaecological clinic in the center of Copenhagen. At Metropol Gyn Clinic you can find the right help and the highest quality of care. Our primary drive is you. Our dedicated team of consultant gynaecologist and nurses are highly skilled with many years of experience in the gynaecological specialty.

We know that expertise and professionalism play a decisive role. Therefore, your trust in us plays a central role. We listen to you carefully and empathetically and we operate with compassion and kindness.

We are committed to improving the lives of women. We deliver patient centered care with clinical excellence and our mission is to deliver high quality services with a highly experienced and up to date staff. Your safety and comfort is our priority.

Metropol Gyn Clinic is a first-class private gynaecology practice located within our women's clinic – Hovedstadens Kvindeklinik, offering services to approximately 5000 women across Copenhagen per year. At Metropol Gyn Clinic, we specialize in 'Hysteroscopy' as an out patient procedure and in 'Saline infusion sonohystero-graphy' to detect polyps or fibroids inside the uterus. Our modern and comfortable clinic is located near Taastrup Station.

We are available whenever you need us.
